Message from the Founder

Thank you to all who has supported Sweet Fragrance over the past 6 years, we could not have done it without you.

There are greater things in store for us all. And we have to believe that things will change for the greater good.

May we be inspired to work smarter than ever before to help and bring relieve to those in need. And may we strive to work together (as one) to change lives because we cannot afford to do it on our own.

Thank you to those who continue to sacrificially give of their time to equip, empower and inspire others to reach their fullest potential.

1. April Woman of the Month

April Woman of the Month is Olivia Solomons

My name is Octavia Solomons and I have been running Octavia's Feeding Scheme since 2019 in Bonteheuwel. It started with an event on Heritage Day with the community board. There I could see the need in my area. We had the event and it was a huge success. Then the pandemic hit us in 2020. People started feeding from their homes, knocks started to come louder on my door, people were hungry, and kids needed to be fed. So I decided to start feeding five times a week which included breakfast, as it's the most important meal of the day. I had sponsors but also had to dig into my own pockets.
